Brian D. Taylor and Bill Francoeur

This musical comedy combines two of the most beloved stories ever written in an exciting and fresh way. The story takes place when Dorothy, the Scarecrow, Lion and Tinman get swept up in an adventure that takes them to Wonderland. They meet all the classic characters you know and love such as Glinda the Good, the Wizard of Oz, Alice, The Mad Hatter, March Hare, Dormouse, Tweedle Dee and Dum, the wicked Queen of Hearts and so many more. This show is exciting for boys and girls of all experience levels!
